Alexandria, VA 22313-1450

Sir:

**RESPONSE TO RESTRICTION REQUIREMENT**

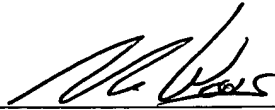

In a Restriction Requirement dated August 17, 2006, the Examiner required restriction under 35 U.S.C. §121 between: Group I, claims 1-16, allegedly drawn to a free piston pump; and Group II, claims 17-20, allegedly drawn to a method of pumping. The Examiner also required an election between species 1, shown in Fig. 1, and species 2, shown in Figs. 2 and 3.

In this Response to Restriction Requirement, Applicants elect to prosecute Group I, directed to claims 1-16, and species 2, shown in Figs. 2 and 3, without traverse. Claims 1-16 read upon this species. Applicants also submit a one-month extension of time with this response.

Please grant any extensions of time required to enter this response and charge any required fees to our deposit account no. 03-1129.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'M. Woods', is written over a horizontal line.
